How to Build a Cookbook Stand - The DIY Bungalow The best way to decide what size to make the stand is to open up a larger-sized cookbook and see how much of a stand you'd need to keep it supported. I cut my board to 12 7/8 in. Next, cut the support piece. This is slightly trickier, because you will need to bevel cut the ends so that it lays flat against the stand and the countertop or table it'll be resting on, and then account for that in measuring the length.
